"Committed to Growth, Committed to Quality"

June 12, 2007

To Whom It May Concern:

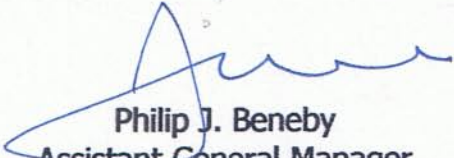

This is to advise that the Water and Sewerage Corporation sponsored the Television Show, 'A Familiar Walk' which aired in November 2006 and featured a one on one interview with the Former Deputy Prime Minister, Cynthia Pratt.

The Corporation took the decision to sponsor the show not only because it involved the Deputy Prime Minister of the Country but because it provided an opportunity for the country to hear from the heart of a great leader who has dedicated her life to serving the people of St. Cecilia and the Bahamas. The show was a resounding success hosted by Mr. Mario Newry, who did a fantastic job with his smooth, calm and very composed demeanor.

The Corporation was proud to sponsor the show honoring an outstanding Bahamian Leader in former Deputy Prime Minister Pratt.

Yours Truly
