Dear Mr. Newry,

I write to commend you for the excellent programme you produced entitled "*Familiar Walk – Steps Towards Hurricane Preparedness*" which features the National Emergency Management Agency [NEMA] along other key agencies of Government that play important roles in our national preparedness for tropical cyclones. We have received a number of accolades regarding the programme along with requests that it be re-aired.

*Familiar Walk – Steps Towards Hurricane Preparedness* is a reflection of the capacity and high degree of professionalism displayed by your company in producing the programme.

Sincerely,

Carl Francis Smith  
Under Secretary/ Director, NEMA
