Dear Mario,

**RE: HURRICANE PREPAREDNESS SHOW –**  
**A Familiar Walk with Mario Newry**

Thank you very much for approaching City Market as a platinum sponsor for the Hurricane Preparedness Show you produced in June. We were delighted that you chose the new City Market Cable Beach store to shoot part of your show.

Our team enjoyed working with you and Roger D. We found the final production very professional and informative and at this time would like to again thank you for the exposure.

Keep up the good work and continue to bring educational and informative shows to The Bahamian public.

Yours truly,

Azaleta Ishmael-Newry  
Marketing Director
