Mr. Mario Newry
Producer/Host
Nassau, Bahamas

Dear Mr. Newry:

RE: A FAMILIAR WALK

It is with a great sense of pride that I congratulate you on the production of your television programme " A Familiar Walk " with Her Excellency Dame Ivy Dumont as your guest, which was aired on ZNS Channel 13 on Friday, December 16, 2005 and rebroadcast on Thursday, December 29, 2005.

The programme was well produced, with excellent videography and editing skills, the music was appropriate and you certainly was very comfortable as a television host.

The quality of this first programme can compete with any documentary in the region and indeed North America. The future of " A Familiar Walk " looks very bright and I recommend that you create a series of programmes featuring Bahamians under the same title.

In any assistance I can render in pursuit of your plans for the success of your programme, please do not hesitate to contact me.

Best wishes,
